

To Obtain CEU Credit:

The CD ROM provides 3 hours of continuing education credit for nurses and 2 hours of continuing education credit for nursing home administrators and nursing assistants. To obtain CEU credit, watch Module 1 (Introduction) of the CD ROM. Select the appropriate track for you (administrator, nurse, or nursing assistant). You will then be directed through the other modules of the CD ROM.

At the end of the CD ROM complete the multiple-choice examination. You must score at least 70% correct to pass. Follow the instructions on the CD ROM and print out a personalized credit certificate on your printer. Mail the certificate to the registration office whose address will be printed on the certificate and is also displayed below. Certificates **MUST** be mailed to have CEU credits registered.

The video (VHS or DVD) provides 1 hour of credit for certified nursing assistants. To obtain CEU credit, watch the video and then print out the registration form that is on our website, and complete with each participants name, social security number, and date video was watched, and mail to the registration office whose address is listed below.
